Something creative and appropriate

INTENTIONAL AND SPECIFIC

Show you know their kid!

Take notes through the week to remember the little things.

½ page should be solely about the camper

All letters should not be the exact same, the kids are all different!

CLINICS

Discuss the clinics picked, however narrow down to their favorite to elaborate on. Ask clinic instructors if needed on how they did.

WRAPPING UP

Discuss what they want to work on

One last thing about how much you enjoyed the camper or your favorite thing about them

Wish the camper a great year at school

Tell parents what a joy/blessing/awesomeness it was to have them in your cabin

SIGN OFF

Sincerely
Warm Regards
Respectfully

Yours in camping
Best Wishes

FINAL NOTES

Use caution in your wording

Stay away from wild animal pets

Put yourself in their parents shoes, they do not know much about camp, or what our wording means.

Steer clear of inside jokes
