Tiered Pricing Options:

Tier A - This is the cost to provide a week of camp at Camp Tecumseh. If you are able to pay this amount we ask that you do so. Thank you!

Tier B - This is a partially subsidized rate made possible by the generous donations of friends of Camp Tecumseh. Please choose this rate to receive this automatic subsidized rate.

Additional financial assistance, greater than the subsidized rate above, is available through our Campership Application. Please register your child using Tier B and pay the \$100 deposit. Afterward, you will need to complete the short **Campership Application** [HERE](#). We will make every effort to review and award campership amounts within **5 days of receipt**. If your camper is waitlisted, you may still apply for a Campership, but we will wait to review your application until after an offer for the week has been given. If you have any questions, please give us a call at 765-564-2898.

If you are selecting multiple weeks for your camper, whatever Pricing Tier you choose will apply to each week.

9. Next fill out your Address and Personal Information and the Emergency Contacts you wish to have on file for your child. **At this point, you can click “Save for Later” to finish later, but please note: this does not guarantee your camper’s spot in the week you selected. Make sure you log back in to complete the application and secure your camper’s spot as soon as possible.**

For **Overnight Camp ONLY** - Here is where you will select the Stayover Weekend Option if your camper is coming for 2 consecutive weeks (between weeks 1-2, 3-4, 5-6, or 7-8). *You do not need to select this if your camper is only staying one week*. You can also set up a Trading Post (Camp Store) account for your camper. This will need to be set up prior to your camper's arrival. If you add it now, it will be charged with the rest of your balance. **Day Camp Families can skip this page**. Additional Information

If you would like to update the camper's photo, please click on the image to the right.

If the camper would like to request a cabinmate/trailmate, you may enter it here. Enter the first and last name of the cabinmate/trailmate.

Please only provide ONE cabinmate/trailmate request.

Our primary goal with the cabinmate/trailmate policy is to make sure that every camper has the best possible camp experience, whether they come with a friend or if they come not knowing anyone. To that end, if you are making a request, **please communicate with the other family to make sure they are requesting your child (and your child only) as well. Groups of campers will be split up into twos or at most threes.** Cabinmate/trailmate requests received within 4 weeks of camp dates may not be honored.

For more information about our cabinmate policy, take a look at [this video](#).

Enter up to 1 cabinmate/trailmate requests below.

11. Next please read and answer whether you would like to allow your child to participate in Float Trip and Swim Lessons. **Day Camp Family can skip this page.**
